Bulletin No. CEP-1-406  
May 15, 2006

**TO: All Clevite Engine Parts Customers**

**SUBJECT: New Clevite® Engine Parts New Number Announcement**

Dana Corporation's Clevite Engine Parts Division is proud to announce brand new additions to the Clevite engine parts line covering both light and heavy-duty applications. 504 new numbers are now available and they are all listed in this new number announcement. This information includes a numeric listing, price sheet, as well as competitor interchange listings.

The supplemental catalog pages included with this new number announcement contain those part numbers not already in the current publications. Please take a moment to review the new information contained within these materials for ordering. We welcome your comments, and we appreciate your support of the Clevite brand.

Sincerely,

Ted Hughes  
Light Vehicle Brand Manager
